2025-2026 ACADEMIC YEAR RE-REGISTRATION

March 25th, 2025

Dear Parent(s),

We are pleased to announce that the **2025-2026 academic year** is scheduled to start on **Monday, September 8th, 2025**.

To facilitate the planning and preparation for the upcoming academic year, **re-registration runs from today, Tuesday, March 25th, 2025, until Friday, April 25th, 2025**.

During this 1-month period, we kindly ask you to confirm your child's return for the next school year by completing the full online registration process, including the payment of at least the re-registration fees **set at 100,000 FCFA per child** (an amount deductible from the annual school fees). **Only the payment of these fees will officially validate your child's re-registration and guarantee his/her seat.**

Your trust and commitment towards the IESA family are fully acknowledged and appreciated, and we sincerely thank you for it. That is why we rely on your **prompt action** to help us organize the upcoming school year in the best possible conditions.

Through this process, we also aim to correct certain issues encountered at the beginning and throughout the 2024-2025 academic year. We sincerely apologize for any inconveniences caused and are committed to improving our organization.

After **April 25th, 2025**:

- The school will no longer be able to guarantee your child's seat, as new admission requests will be prioritized.
- The student will be placed on a **waiting list**, which can lead to uncertain reintegration, particularly in high-demand classes.
- Parents will be required to pay the **admission fees of 200,000 FCFA**, instead of the re-registration fees.

Finally, we invite you to review the attached documents, which contain essential information regarding the upcoming school year:

- The 2025-2026 Fees Structure
- The Re-Registration Process
- The Instalments and Deadlines of Payments
- The School Supplies Collection Guidelines

Thank you for your usual cooperation and collaboration.
