UNISEX SPORTS SHORT SIZE CHART

How to measure your waist?

Measure around the waist at the natural waistline (smallest part). In younger children this is usually midway between the bottom rib and hip bone.

How to measure your hips?

Measure around the fullest part of the chest, making sure that the tape is level under the arms and across the shoulder blades. Make sure you are relaxed when measuring to get a true measurement.

How to measure your thigh circumference?

Measure the tape around the thickest part of your thigh.

How to measure your shorts length?

Measure around the base of the neck where the collar sits.

JUNIOR HIGH SCHOOL V-NECK SLEEVELESS VEST

How to measure your shoulder width?

Locate the shoulder points. These points are actually marked by your acromion bones, which can be found at the upper tips of your shoulders. The two points should also be the points at which the shoulder meets the arm, or the points at which the shoulder begins curving down into the arm.

How to measure your chest?

Measure around the fullest part of the chest, making sure that the tape is level under the arms and across the shoulder blades. Make sure you are relaxed when measuring to get a true measurement.

How to measure your shorts length?

Measure from the shoulder to the hip. Our style is designed to fit appropriately the size of your child.
